RACE DAY INSTRUCTIONS

1. All teams **MUST** have a parking permit to park on the Stevens Campus. To get a parking permit, all teams must email sit.cycling@gmail.com with the number of vehicles (and trailers if applicable) that they will be bringing to the race. There is a limited amount of parking available, therefore it is advisable that teams bring as few vehicles to the race as possible.
2. All teams **MUST** arrive before 7:40 AM. The entrance to campus will be used as part of the course, so it is necessary that this area be free of traffic before the race. All teams **MUST** enter the Stevens Campus on Ninth Street. Follow Ninth Street towards the Howe building; a volunteer there will give you directions and instruct you where to park.
3. All cars **MUST** be parked in either the Eighth Street Parking Lot or the CPA Parking Lot. Teams with trailers will drop off their trailers in the lot between Hoxie House and Colonial House and will then park their cars in the areas instructed by the race volunteers.
4. **NO** tents will be allowed in any of the parking lots. All tents **MUST** be set up on Palmer Quad near the Howe Building.
5. Registration will open at 7:15 AM and will take place in the Howe Building. Only **ONE** person per team will be allowed into the Howe Center to register for their entire team.
