# Course Descriptions

## Cross Country Course Description:

The course starts on wide, mowed trails in a field which, after a quarter mile, enters the woods where riders will get a great variety of new and old single track, including a variety of wide trails scattered throughout the 8 mile loop. The course is very versatile with great climbing and descending.

TOTALLY RADICAL!!!!!!!

## Dual Slalom Course Description:

The course will be held on the hillside behind the Catamount Center House. It will be a new track consisting of jumps, berms, open grass turns, whoops and more jumps.

# Short Track and Downhill Sunday October 3<sup>rd</sup>, 2010 Sugarbush Resort

1 P.M.	DH Practice Ends/Race to Follow	

# Course Descriptions

## Downhill Course Description:

The course starts off with high speed open slope giant slalom style turns. You then hop into the woods for some twisty fast single track that is littered with rocks and roots with some off chamber steep sections. There are several steep chutes and rock gardens scattered throughout the single track.

The race will finish with a money-booster to flat, perfect for the best bar turn of the day award. Course will be roughly 4 minutes long for the top racers.

## Short Track Cross Country Course Description:

The course will be a 0.5 mile loop that will have approximately a 1:1 ratio of single track to wide trails.
