6.2 mi Team Time Trial

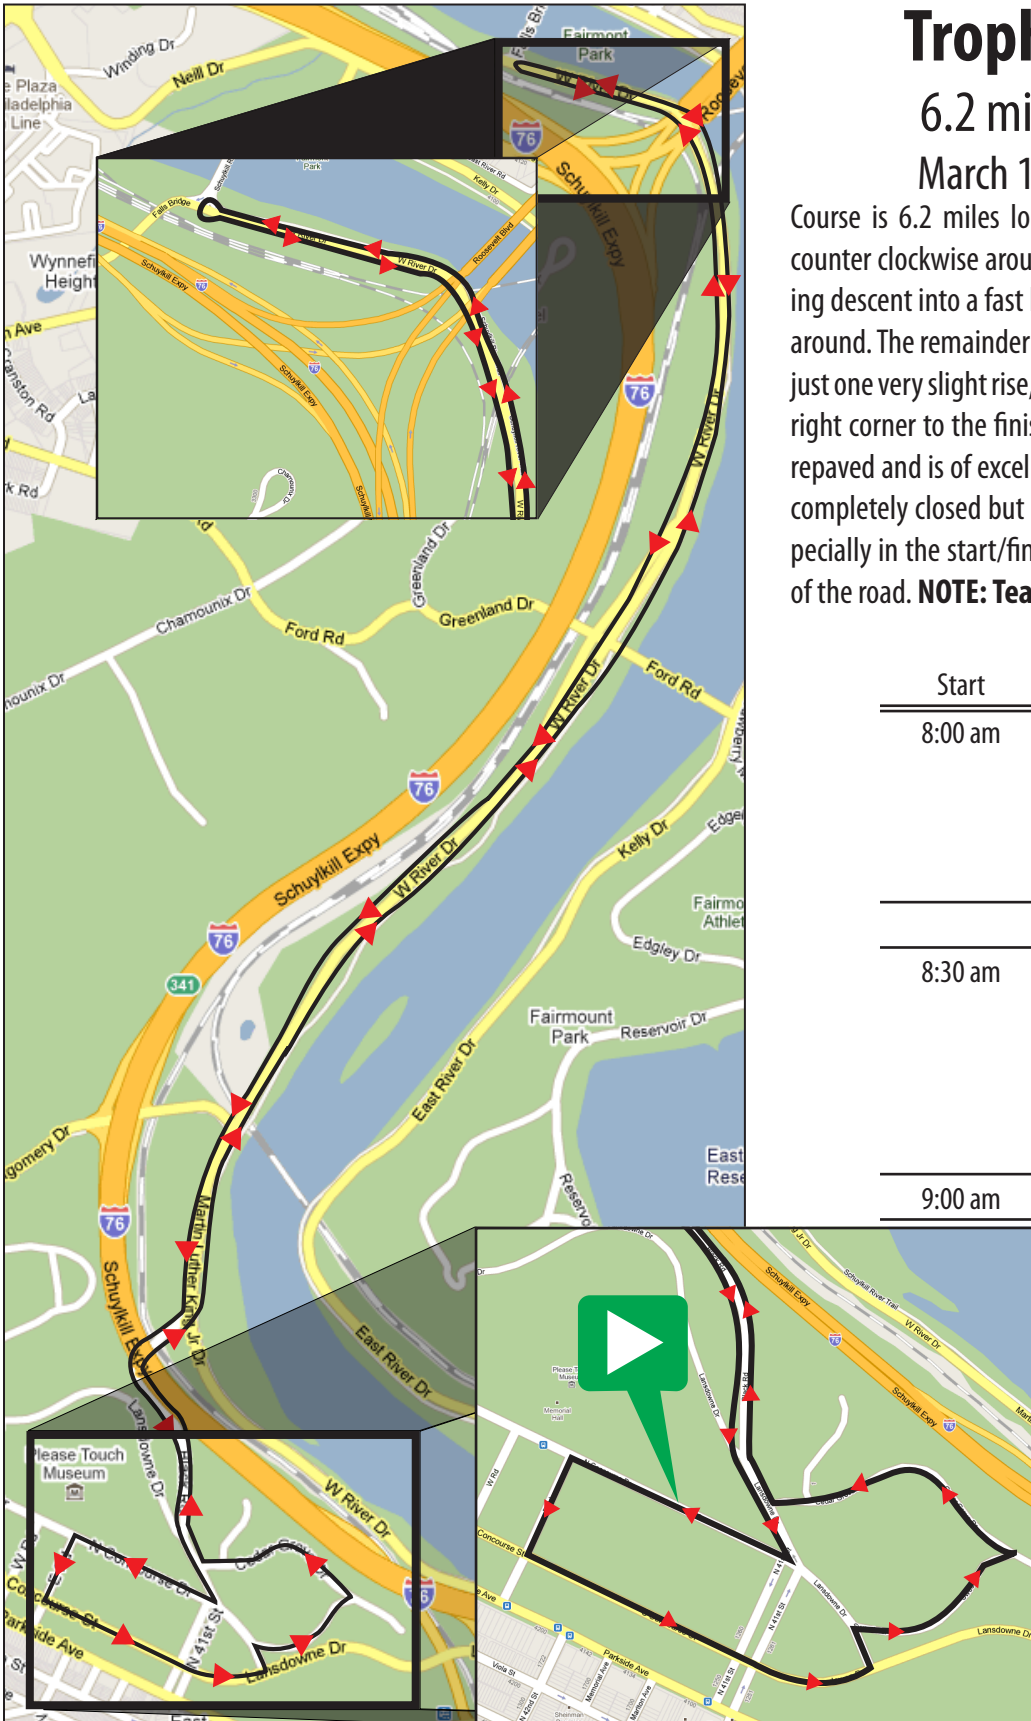

March 19, 2011 • 8am Start

Course is 6.2 miles long on wide, scenic roads. Proceeding counter clockwise around course, the start is on a quick, curving descent into a fast left/right chicane toward the first turn-around. The remainder of the course is almost totally flat, with just one very slight rise, until the very short, quick rise and hard right corner to the finish. Most of the course was just recently repaved and is of excellent quality throughout. Roads will be completely closed but riders must respect the yellow line, especially in the start/finish area as we will be using both sides of the road. **NOTE: Teams will be leaving in 30s intervals.**
